Hi Jim

I can't seem to locate a DEC response. Could you forward to me (assuming it exists)?

Thanks

Doug – attached is the letter from Rich Humann commenting on the CSIA report. The heading says Bethpage Water District but the first paragraph says the together with the MWD, they ( H2M and MWD ?) have reviewed the rerort and indicates that they defer to EPAs comments. I am working on a response.

Jim,

Stan shared the EPA review of the CSIA sampling/report with me. Based on the EPA's experience, I think the review was extremely helpful.

I'll be formulating my comments on the CSIA report and will forward them to you next week.

Thanks

Rich

Attached are EPA comments on the CSIA report as well as EPA's comments on the comment letter from Northrop Grumman on the report. For your convenience, Northrop Grumman's comments as well as Navy's comments are also attached. The Water Districts' have indicated that they might submit comments following receipt of EPA's review. Please let me know if you intend to do so and provide an approximate time frame. Thanks Jim H
